Re: Guest Lectures to the Facility Management students at Texas A&M University

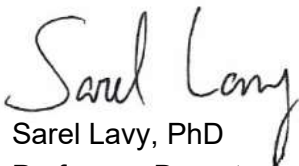

Dear Ms. Ray,

On behalf of the Department of Construction Science, I would like to thank you for the informative presentations on “Space and Occupancy Management” and on “IWMS for Facility Managers” to our students in COSC 450 – “Facility Management Principles and Practices” and in our COSC 670 – “Facility Asset Management” classes on February 1 and on February 10, 2021.

We are fortunate to have had someone of your professional expertise and credentials volunteer time from your busy schedule to address the classes and serve as a resource person to the students. The presentations you gave in these classes help the students develop a better understanding of the opportunities that lie ahead with a facility management career.

It has been a pleasure visiting with you, and I look forward to working with you in future educational endeavors.

Sincerely yours,

A handwritten signature in cursive script that reads 'Sarel Lavy'.
